

I Feel Like a Woman Blush

Description:

Luxurious and silky blush cream to give amazing glow and color on the cheeks. Radiance and natural glow is achieved by a light diffusion effect based on the active ingredients. The blush has an extremely long lasting application and good water resistance. The very light texture of the blush is easy to apply and gives a sophisticated and natural look.

Instructions:

Apply with fingertips on the highest parts of the cheekbones. Can be used to give natural color on bare skin or as a blush on top of foundation or powder.

Actions:

Active Ingredients:

Light diffusion effect upon skin surface
Skin appears smoother and feels silkier

Silica

Fills in small wrinkles and brings softness

Polymethylsilsesquioxane

Multi-shimmering effect with constantly
changing shades in various colours

Pearlescent pigments

Results:

Instantly a more youthful look.
