

Bubbling Beauty Mask

Description:

Funny and visual Bubbling Beauty Mask reduces instantly wrinkles and revitalizes skin. Fine wrinkle lines smoothen and skin tone brightens leaving a refreshed appearance. Cooling gel texture is easy to apply and instant efficacy can be felt while used!

Instructions:

Apply the mask on clean facial and décolleté area and leave to affect for 10 – 15 minutes. The mask starts to bubble after application and creates foam that can be wiped off with damp sponges or massaged in like a cream. Can be used as an instant beauty treatment before special occasions.

Actions:

Anti-wrinkle effects by dermal filling
Skin oxygenation and improvement in
skin's metabolism

Active Ingredients:

Perfluorohexane
Perfluorodecalin
Pentafluoropropane

Instant skin moisturisation and freshness

Algae Extract
Natto Gum

Results:

Skin looks instantly firmer and brighter. Fine lines and puffiness around eyes is diminished.
