

Lift Me Up Facial Cream

Description:

This is an anti-age cream to battle against all signs of ageing; wrinkles, skin tone and lack of moisture. It is rich in natural oils, which restores skin's elasticity and moisture levels. Targeted active ingredients reduce the visible lines and wrinkles on facial area as well as improve skin tone and lighten age spots. The elegant and silky cream texture applies easily. After application, skin looks immediately youthful and revitalized.

Instructions:

Apply on the clean skin day and night.

Actions:

Active Ingredients:

Natural oils to nurture skin
Rich in antioxidants and vitamin E
