

Volume Up Lip Treatment

Description:

This special lip treatment gives you luscious, volumized lips within minutes. Super soft, non-sticky texture makes the product easy to apply and leaves the lips feeling soft, smooth and plumped up. Almost instantaneously the volume builds up in the lips with active ingredients, which work as physical dermal fillers. Dream lips in just one stroke!

Instructions:

Apply on the lips area whenever you want more volume and shine. Can be used alone as a lip gloss or as a special treatment before applying lipstick. When used as a special treatment, apply and leave on lips for 15-20 minutes. Lips will be moisturized and volumized within minutes.

Actions:

Anti-wrinkle effects by dermal filling
Volumizing effect on lips

Active Ingredients:

Perfluorodecalin
Perfluoro Dimethylethylpentane
Perfluorohexane
Perfluoroperhydrophenanthrene
Perfluorodimethylcyclohexane
