

## **Sunny Day UV Lip Gloss**

### **Description:**

Protective lip gloss with high SPF and UVA protection. Sunny Day UV Lip Gloss is completely transparent, but it has high crystal shine effect on the lips. An ideal lip gloss for day time use for beautiful, well protected lips. Soft gel texture without tackiness is very long lasting and wear resistant. No more cracked or sore lips.

### **Instructions:**

Apply on the lips like a lip gloss whenever needed for shine and sun protection.

### **Actions:**

---

UV-filters

---

Preservative free – formula

---

Silicone free - formula

---

### **Active Ingredients:**

---

Octyl Methoxycinnamate (and)  
Butyl Methoxydibenzoylmethane

---

### **Results:**

Lips look naturally glossy and shiny while being protected from sun.
